Synopsis

Love. The most powerful force in existence, but also the most ruthless. Cunning and deceptive. Manâ ™s greatest Achilles heel. Leaving all who embrace it weak and vulnerable. At least thatâ ™s how Dom-for-hire Max Kelley sees it, after the love of his life knocked him on his ass. A brutal blow that not only stole his breath, but decimated his ability to trust. Turning him cold and cynical. The TKO he never saw coming. Love. A mistake Max wonâ ™t ever make again. Meaning no more relationshipsâ ”not exactly a hardship. Just the thought of dating makes him queasy, and one of the reasons he doms for a living. To sexually engage without the poison of intimacy. The other reason? To keep his demons sated. With whips and chains, and scandalous kink. A fiery mix that always hits the spot. That is, until a bright-eyed beauty walks into his life and refuses to leave. Sean Matthews. College senior and flirt extraordinaire. Maxâ ™s newestâ ”and greenestâ ”client sub. Man, is he delicious; able to push Maxâ ™s buttons, able to make him crave the things he knows he shouldnâ ™t. Sound the alarm, this can only mean trouble. Unfortunately, deterring Sean proves virtually impossible, and now Max finds himself at a crossroads. Man up and kick his favorite sub to the curbâ | or succumb to his own caged desires. ** Warning: Contains references to sensitive matters involving teens that some might find disturbing.This BDSM romance also contains intensely explicit scenes both inside and out of the dungeon.** Note from the author: While this duology can be considered a stand alone, I highly recommend readers visit the prior series (Upending Tad: A Journey of Erotic Discovery) first for two reasons: It was the chemistry of Tad and Scott that started it all and won these books such a devoted following. But also, the love interests in Unearthed (Max and Sean) were first featured in the previously mentioned series, giving the reader a unique first impression of them from Tad and Scott's POV. Most readers would agree that Max definitely made his mark in a very striking way long before Unearthed ever came to be.
