Understanding Contemporary Ethiopia: Monarchy, Revolution And The Legacy Of Meles Zenawi

Synopsis

When we think of Ethiopia we tend to think in cliches: Solomon and the Queen of Sheba, the Falasha Jews, the epic reign of Emperor Haile Selassie, the Communist Revolution, famine and civil war. Among the countries of Africa it has a high profile yet is poorly known. However all cliches contain within them a kernel of truth, and occlude much more. Today's Ethiopia (and its painfully liberated sister state of Eritrea) are largely obscured by these mythical views and a secondary literature that is partial or propagandist. Moreover there have been few attempts to offer readers a comprehensive overview of the country's recent history, politics and culture that goes beyond the usual guidebook fare. Understanding Contemporary Ethiopia seeks to do just that, presenting a measured, detailed and systematic analysis of the main features of this unique country, now building on the foundations of a magical and tumultuous past as it struggles to emerge in the modern world on its own terms.

Book Information

Paperback: 416 pages

Publisher: Hurst; 1 edition (September 15, 2015)

Language: English

ISBN-10: 1849042616

ISBN-13: 978-1849042611

Product Dimensions: 8.5 x 1.4 x 5.5 inches

Customer Reviews

did the other reviewer even take one moment to note who the authors were (including Ethiopians)?

Well written. It covers both the history and contemporary politics and cultural of Ethiopia very well.

The most mediocre book on contemporary Ethiopia. Not worth the money you spend on it. It is a product of the mindset that only Whites are responsible in the production of knowledge about the "Other" people.
